

WILD & NATURAL

A JOURNEY THROUGH ARGENTINA'S WILDLIFE

Experience the nature of Argentina and discover its unique wildlife and landscapes from Patagonia in the south to tropical forests in the north.

Day 01 Buenos Aires

Arrival at EZE-airport and transfer to the hotel in the city centre of Buenos Aires. The rest of the day is at leisure, you may join a city tour of Buenos Aires.

Day 02 Buenos Aires - Bahia Bustamante

Flight to Bahia Bustamante, a small seaside village, entirely surrounded by Patagonian vastness. The area is characterized by a unique biodiversity.

Day 03 Bahia Bustamante

During your stay at Bahia Bustamante, you enjoy several included activities (shared basis): wildlife observation, visit of petrified forest, sailing excursion to Malaspina Cove and visit to the seal colony, visit to a Patagonian ranch. On optional Horseback riding, trekking or kayaking is possible.

Day 04 Bahia Bustamante - Puerto Madryn

Drive about 4h to Puerto Madryn. On the way you visit one of the biggest Magellan Penguin colonies in the world, Punta Tombo.

Day 05 Puerto Madryn

Full day excursion to the nature reserve Peninsula Valdés. During the season, stop at Puerto Piramides to join an optional whale watching tour (Jul-mid Dec). Onto Punta Delgada to observe wildlife, mainly birds, and visit a sea-elephant colony at the coastline.

Day 06 Puerto Madryn - Iguazú

Flight via Buenos Aires to Iguazú, home to some of the largest and most spectacular waterfalls in the world. Hotel transfer and evening at leisure.

Day 07 Iguazú

Visit to the Argentinean side of Iguazú National Park. Guest board an ecological train to approach the Devil's Throat, one of the highest falls, and then walk different circuits along the gorgeous Iguazú river canyon.

Day 08 Iguazú - Yacutinga

Transfer to the Yacutinga Private Reserve, home to lush tropical forest, the jaguar, toucans, howler monkeys and caimans.

Day 09 Yacutinga

During your stay at Yacutinga Private Wildlife & Nature Reserve, you enjoy outdoor activities with focus on soft adventure and eco tourism: bird watching, canoeing or hiking at the tropical forest.

Day 10 Yacutinga - Iguazú

Transfer to Iguazú and afternoon at leisure. You may join a tour to the Brazilian side of the falls.

Day 11 Iguazú - Esteros del Iberá

Transfer to the Estancia Puerto Valle near Laguna Valle at Iberá nature reserve. Visit of the Jesuit missions of San Ignacio on the way. Proceed via Posadas to Esteros del Iberá. The lagoons and marshes of Iberá belong to one of the largest nature reserves and wetlands in the world. This is the natural habitat of crocodiles, capybaras & deer.

Day 12-13 Esteros del Iberá

You will experience unique wildlife observations during your stay. Included activities: horseback riding, canoeing, forest hikes, bird watching, trekking.

Day 14 Esteros del Iberá - Buenos Aires

Transfer back to Posadas and return flight to Buenos Aires. In the evening you may join a tango show with dinner at El Viejo Almacén Show House.

Day 15 Buenos Aires

Transfer to EZE-airport for homebound flight.
